

## Shoals Club Welcomes New General Manager

I am honored to accept the position as General Manager of the Shoals Club. After a very comprehensive application and interview process, my family and I are very pleased to join your family. I am very excited for this new opportunity to work at such a prestigious Club and I will work very hard to make it your home away from home.

Personally, I am originally from Western Massachusetts, getting my start in the country club industry at a young age while working through all areas of the club, with a major focus in food & beverage. I am a graduate of Johnson & Wales University with a degree in Hospitality Management. In addition, I have earned my CCM (Certified Club Manager) and my CCE (Certified Chief Executive) by the Club Managers Association of America. My previous employment includes most recently serving as General Manager and COO at Hyannis Yacht Club in Hyannis, Massachusetts for the last 3 years. Before HYC, I was the General Manager and COO at Mohawk Golf Club in Niskayuna, New York for 4 years. Prior to Mohawk, I was employed at Longmeadow Country Club in Longmeadow, Massachusetts for 12 years as the General Manager. In addition, I was the Clubhouse Manager at Crestview Country Club in Agawam, Massachusetts, Assistant General Manager at Stonebridge Golf & Country Club in Boca Raton, Florida, Interim Clubhouse Manager at Hartford Golf Club in West Hartford, Connecticut and Dining Room Manager at Boca West Country Club in Boca Raton, Florida.

My wife, kids, and I look forward to this new adventure and being part of the community. I have a 20 year old son who attends Florida Atlantic University in Boca Raton, Florida and a 17 year old daughter in her senior year of high school.

I look forward to meeting each one of you and welcome your feedback while I learn the fine traditions that the Shoals Club has to offer.

See you at the Club!
