RESTAURANTS – The Shoals Club Restaurants are extremely popular and dinner seating is in high demand. Reservations are required at Aqua and can be made 7 days in advance, with paid membership. Early dinner seating times, starting at 5:30 pm, are often available, which allows for great after-dinner sunset strolls on the beach. Last reservation seating times at Aqua vary with the season, therefore please check with the club or website calendar at shoalsclub.com. If reservations fill up, please check daily, 9am-4pm, with the front office as there are frequent cancellations that open table availability each day. The Club also manages dining reservation waiting lists and is often able to accommodate waiting list reservations each day. For reservations, please call the club at 910-454-4888 or stop by the front office between 9am-4pm.

DINING NO SHOW POLICY: Reservations are held for 15 minutes and then No-show Reservation Timeslots are given to others. If you need to cancel your reservation, please notify the club by calling no later than 5pm, the day prior to your reservation at 910-454-4888. All late cancellations and reservation no-shows will be charged \$25++ per person as dictated by Club policy. No-show reservations may also have their other dining reservations cancelled. This cancellation policy allows other Members and Guest Members to enjoy the club restaurants, which are often full.
